# **The Supporting Cast**

*and accept a recurring role*

## **Won't you please take a recurring role in The Supporting Cast?**

The 2008-09 season was brutal, fiscally speaking. But it is now, as we are beginning to recover, that things get really tricky.

**We've all had a dicey couple of years.** ETC has responded with the same belt tightening that everyone has had to do. But tighten the belt anymore and ETC won't be able to breathe.

When a lead actor becomes breathless, she can't be heard, can't carry the show on her own. That's when her supporting cast steps in to keep the pace going and the energy growing until she catches her breath again.

## **Your periodic gift of \$5 or \$10 or more is the respite ETC needs.**

Much of the big money isn't there anymore. It's time for a lot of close friends with big hearts and small gifts in hand to pitch in and get us through.

**It's all made very easy by Network for Good.** All you have to do is fill out the form on the other side of this page, or go to [www.electrictheatre.org](http://www.electrictheatre.org) and fill out the form online, and a secure donation will be made via your card at the interval and level you choose. You never have to think of it again, unless you want to change or cancel your donation. You will receive a receipt by email for every donation made, and a year end statement to help you claim your gift as a tax deduction.

**Please sign up now. Thanks!**
